

# INDEPENDENT VERIFICATION WORKSHEET 2010-2011

Your application was selected for review in a process called Verification. In this process, we are required by Federal Regulations to compare the information submitted on your FAFSA with certain supportive documents such as your 2009 Federal Tax form(s) and W-2 form(s). If there are differences between your FAFSA information and the requested documents, we will make the corrections and send those corrections electronically to the Federal processing center. Please complete this Verification Worksheet and submit it to the Financial Aid Office as soon as possible to avoid delays in processing your application for financial aid.
